

Anders Garberg

Engineering student, Automation and Intelligent Systems, NTNU

Experience

Jobs:

2021 - present

Shift Leader Trondheim Kino

Responsible for training, daily operations, and customer service in a busy work environment. Developed efficient routines that improved workflow in ticketing and concession operations.

2025 - present

Teaching Assistant NTNU

Guides and evaluates students' assignments. Contributes to a positive learning environment through academic support, feedback and follow-up.

2022 - 2024

Communications Operator, Air Defence – Norwegian Armed Forces

Operational experience with communications systems in the Surface to Air Defence Battalion. Part of a NATO response force, requiring precision, teamwork and readiness.

Voluntary work:

2023 - present

Financial Manager Elektra

Student association for electrical engineering students at NTNU

Responsible for budget, accounting, and financial planning for an organization with several hundred members. Established financial routines that improved oversight and control of income and expenses.

2023

Bartender UKA23

Norway's largest student festival, Studentersamfundet in Trondheim

Worked in a high-paced bar environment with large visitor numbers. Gained strong skills in customer service, stress management, and teamwork.

2021-2022

Leader and Financial Manager Stormrevyen 2022

Annual school revue at Thora Storm Upper Secondary School

Lead a team of 150 participants in planning, rehearsals, and performance. Responsible for budgeting and finances, including revenue from ticket sales and sponsorships.
